Steven,  
Thanks for the conversation yesterday. Here is the report with the associated attachments. Let me know if you have any questions or need any clarification on the document or the pictures.  
Thanks,

Tara,  
It was good talking with you today about the Electro Hyrdo Fish Kill incident. Could you send me the full copy of your report with pictures included? As I mentioned on the phone I am gathering information as part of EPA's investigation for the Surface Water Enforcement Section (SWES) under the Enforcement Compliance Assurance Division (ECAD), at EPA Region 10.

Thank you,  
Steven
